winter

*"icy queen, statuary, surrounded by
a few cold colours. She is rumored to be heartless,
but she shows how life, while resting,
breeds life heaving a long and deep breath"*

*"wake up, stand up. Life is coming full of colours and
pretty tiny pink and white flowers.
Warm breezes, nothing makes them as sweet as
the memory of the colder sister"*

summer

*"hot, very hot. This is the feeling of summer in the atmosphere.
Strong colours join the warmth in the air
and a shining light turns the creativity on.
It's time to run faster"*

*"slow, slower. Colours is changing and leaves too.
It's time to take care of the soul, outside
everything is wonderfully quite, standing still.
It's time to stop and reflect"*
